Withdraw this Confidential - tell the public this at  
my request - he will not -

Thant To exercise restraint - not to create difficulties.  
My second appeal to Your Excellency.

Castro -

Thant - long term - not only short term - will be one of my  
recommendations to the S. Council to be considered. or one  
of my points US protest inevitable. Vote in S Council,

Castro Without 5 points, there will be no long-term <sup>definitive</sup> solution  
Difficult - coming too without these 5 points - no  
definite solution.

Honest means for definite solution

Will not accept any solution that means states re-  
solving sovereignty of Cuba.

easy dig for anyone, for Cuba has no other situation —  
Cuba has police, courts, a government, a constitution, laws &  
the rights of the people.

Thant I could mention them? any suggestion?

Am. Any time you want, Wednesday, 7:30, I could

Thant U.S. elections in government policy to some extent many  
delegates feel the same way.

Am. That brings to those leaders in relation to Havana

Am. Impossible to leave anything here

Cuban people will think important. That's why Cuba  
will send mission to U.S. Federation will be in U.S.  
for high level in relation to people, Cuban people

to New York to continue work to work.

Thant I would like to see, I will take back with all my people.

Prm.

Will be careful - delicate - over concentration.  
if possible - the weak coalition - small countries  
very jealous of power - any coalition is not  
prepared - Little countries look into great nations  
and pretend - depending the result of a lot of small  
countries in the world - in the battle line of the  
fight. Once in full center will fall.

Thurs  
Prm  
Prm

I defended this a P.R. of Panama  
C.P.P. talk of aggression against (which is wrong)  
high officials and they will invade again  
and immediate protection should. Therefore 7 points have  
the interest.

Thurs  
Prm

Centagon is very powerful.  
Pentagon is more powerful than any other in the world.
